

USER MANUAL

NOTE: The following user manual contains screenshots and descriptions of those screenshots, with each screenshot having a description. NOW, each label on each screenshot corresponds to or matches the label on the description, because the function on each screenshot is described in the screenshot description.

REGISTRATION PAGE

(Screenshot 1)

The screenshot shows a web browser window with the address bar displaying `https://localhost:44356/Registration`. The page title is "Get Registered". The form contains the following fields and labels:

- Name: (A) Name Is Required (I)
- Surname: (B) Surname Is Required (J)
- E-mail: (C) Email Is Required (K)
- Username: (D) Username Is Required (L)
- Password: (E) Password is required (M)
- Confirm Password: (F) Confirm Password Is Required (N)

Below the form, there are two buttons: "REGISTER" (G) and "CLEAR" (H). Below the buttons, there is a link "Already have an account?" and a "LOGIN" button (O).

The browser's taskbar at the bottom shows the Windows logo, a search bar, and several application icons. The system tray on the right displays the date and time as 17:28 on 2022/11/29, along with weather information (44°F Mostly cloudy) and language settings (ENG).

REGISTRATION PAGE

(Screenshot 1 Description)

- (A) Enter your name in the empty text box.
